Diagram 1: Detail of the connection between the upper and lower beams. It shows a cross-section of the beams with a horizontal plate (LR) connecting them. A label 'LR' points to this plate. Below the beams, there is a small square detail showing a cross-section of the beam material. To the right, another 'LR' label is present. At the bottom right, there is a technical drawing of a beam cross-section with dimensions and a table of material properties.
