GENERAL INFORMATION

This parts catalog has been prepared for the customers of Toyota Industrial Vehicles and this shows only the part name codes instead of parts numbers.

When ordering parts from your local Toyota dealer, please specify the complete model number of the truck, the engine number or frame number. Also it is essential that you specify the part name codes described in the pages of illustrations and text.

The complete model number and frame number are shown in the front page of this catalog. All the columns in this quick reference index are supposed to be filled out by both the factory and your local dealer.

Votre concessionnaire Toyota est toujours suffisamment informé pour décoder les numéros de pièces sur la base de votre information du numéro de modèle, du numéro de moteur ou de châssis, et des codes de désignation de pièces.

INFORMACION GENERAL

Este catálogo de piezas ha sido preparado para los clientes de vehículos industriales de TOYOTA, e incluye tan sólo los códigos de nombre de pieza en lugar de los números de pieza.
