This technical drawing is an exploded view of a mechanical assembly, likely a pump or motor component. The parts are numbered 1 through 30. The main housing (1) is shown at the top right, with a large circular opening. A cylindrical component (2) is shown below it, with a gear (3) attached to its shaft. A bracket (4) is shown below the gear. A small component (5) is shown to the right of the gear. A large gear (6) is shown below the gear (3). A small component (7) is shown below the gear (6). A small component (8) is shown below the gear (7). A small component (9) is shown below the gear (8). A small component (10) is shown to the right of the gear (6). A small component (11) is shown below the gear (6). A small component (12) is shown below the gear (11). A small component (13) is shown below the gear (12). A small component (14) is shown below the gear (13). A small component (15) is shown below the gear (14). A small component (16) is shown below the gear (15). A small component (17) is shown below the gear (16). A small component (18) is shown below the gear (17). A small component (19) is shown below the gear (18). A small component (20) is shown below the gear (19). A small component (21) is shown below the gear (20). A small component (22) is shown below the gear (21). A small component (23) is shown below the gear (22). A small component (24) is shown below the gear (23). A small component (25) is shown below the gear (24). A small component (26) is shown below the gear (25). A small component (27) is shown below the gear (26). A small component (28) is shown below the gear (27). A small component (29) is shown below the gear (28). A small component (30) is shown below the gear (29).
